Wendy,

This past Monday I briefed Jeff Scott and today Keith Takata on Waimanalo via photos loaded into PowerPoint.

The photos you took on the 4th, 13th, and 14th of January were incredibly informative in giving folks the before and immediately after views.

Thanks again for providing them and organizing them so well.

My finished PowerPoint set is included in a data DVD going out to Kahi in the mail on Monday (38 MB); if you'd like to see it, you may want to borrow that CD from her.

Nothing like seeing!

Thanks!
